PWC Offices Delta Towers

Nairobi

These premier offices were an exciting challenge posed by the reputable firm PwC. Inspired by their logo colours we set upon defining their space with articulate planning. The offices were opened by His Excellency President Uhuru Kenyatta.

Genghis Capital Delta Towers

Nairobi

Located on the 4th floor of the Delta Tower in Westlands, Genghis Capital was designed with 'light & airy' vision at the heart of the creation process. Light & elements through the space come together to create a borderline surreal experience while still remaining true to the vision, resulting in a fresh & contemporary work environment.

Chase Iman HQ Offices Delta Towers

Nairobi

Morphosis has done a number of Chase Branches, with special focus on the Chase Iman Branches. This has proved to be a successful participation as we have continued to design with the Swahili and Islamic culture with the new direction in banking. Below is the Chase Iman HQ at Delta Towers.
